## MANAGEMENT POLICY

Management policy of our organisation aims to achieve the following goals:

1. Provide quality education: The primary objective of any higher education institution should be to provide quality education to its students. This can be achieved by recruiting qualified and experienced faculty, providing modern facilities and resources, and promoting research and innovation.
2. Academic and administrative management: Government College Lawan follows the rules laid down by the Department of Higher Education, Government of Chhattisgarh. All the employees abide by the directions laid down in the Chhattisgarh Civil Services (Conduct) Rules, 1965.

The academic and administrative activities are monitored by the Principal.

The IQAC and staff council assist in achieving the quality mandate.

3. Emphasize student-centered learning: Government College Lawan will prioritize student-centered learning by focusing on the individual needs and interests of students, promoting experiential learning, and providing mentorship for career and social perspectives.
4. Ensure transparency and accountability: Our institution would ensure transparency and accountability in their operations and decision-making processes. This can be achieved by setting clear policies and procedures, regularly evaluating performance, and engaging stakeholders in the decision-making process.
5. Promote sustainability and social responsibility: Our institution would promote sustainability and social responsibility by incorporating environmental and social issues into the academic framework, promoting sustainable practices, and engaging in community outreach and service.
6. Ensure diversity and inclusion: Our institution aims to create a diverse and inclusive environment where students from different backgrounds can learn and grow together. This can be achieved by promoting diversity in recruitment, offering

7. Foster collaboration and partnerships: Government College Lawan will collaborate with other institutions, industry, and government entities to enhance the quality of education, promote research, and provide opportunities for students to gain practical experience.
8. Embrace technology: Our institution will embrace technology to enhance teaching and learning, promote research and innovation, and improve administrative efficiency.
